Dear Parents and Children

Children who has 100% attendance between Monday 26th Feb and Wed 28th March will be receiving their attendance treats next week.

Safeguarding -Important Information regarding School trips

It is essential that if your child brings home a permission slip for a school trip that this is signed and returned to school. Due to safeguarding requirements we will no longer be ringing on the day if your child's slip is not returned as verbal permission is not acceptable. Any child without written permission will not take part in the trip.

Holidays in term time -Advice from Gov.uk

You have to get permission from the head teacher if you want to take your child out of school during term time before booking leave..

You can only do this if:

- you make an application to the head teacher in advance (as a parent the child normally lives with)
- there are exceptional circumstances

St Georges Day – Monday 23rd April.

*OFSTED 2017: St Anne's is a good school where pupils experience a
broad and rich curriculum.*

Children may wear non uniform on Monday 23rd April (next week) to celebrate St Georges Day. If your child is a scout or brownie they may come in their uniform. Our colour scheme for the day is red and white.

School Aftercare Club- due to the small number of children attending, we will no longer run the afterschool club in September. We are currently looking at a private provider taking up this facility which will hopefully run until 6pm, however this will be dependent on a greater number of children taking up places than currently use our facility. If you think you will need a place for your child in September please speak to Ms P Doherty at the Northern Sunflower Holiday Club on 07719874119

Payments for before and after school care and dinner money.

Despite several reminders we still have outstanding debt on the above accounts. Please note dinner money and before and aftercare club money must be paid for on a Monday morning at the latest (in advance of the days being paid for). The school office are spending a considerable amount of time ringing parents about outstanding debt. From next week places will be withdrawn from the before and after school club and parents with dinner money arrears will be asked to provide a packed lunch until the debt is paid.

Stranger Danger

We have spoken to all the children today about stranger danger and the fact that they must not speak to anyone outside the school perimeter during the day that they do not know. Pupils have been told that if anyone tries to speak to them through the fence they must go and speak to the adults on duty immediately and not engage in conversation with them. Please reinforce this message with your child at home.
